

Hilltops IT Consultancy Services Ltd Launches ConnectIt-SageOne Integration for QuoteWerks and Sage One Business Cloud

Brighton, United Kingdom – January 2025 – Hilltops IT Consultancy Services Ltd is excited to announce the launch of ConnectIt-SageOne, a powerful integration solution designed to seamlessly connect QuoteWerks with Sage One Business Cloud. This innovative product aims to enhance business efficiency, accuracy, and productivity by automating data transfer and synchronization between the two platforms.

Key Features of ConnectIt-SageOne

- **Comprehensive Database Connection Settings:** Supports various editions of QuoteWerks (Standard, Professional, Corporate) and configurations for re-hosted databases.
- **Flexible Document Headers and Items Table Settings:** Allows detailed configuration of fields for contact information, product details, pricing, and more, with support for macro prefixes and concatenation.
- **Robust API Connection Settings:** Ensures secure and efficient connection to Sage One Business Cloud, with options for authentication, timeout settings, and encryption.
- **Customizable Country and Ledger Account Mappings:** Provides mapping options for country codes and tax codes, ensuring accurate data transfer.
- **User-Friendly Licensing and Configuration:** Displays installation and license details, and offers easy configuration of business settings from Sage One Business Cloud.

Benefits of ConnectIt-SageOne

- **Seamless Integration:** Connects QuoteWerks and Sage One Business Cloud, enabling smooth data transfer and synchronization.
- **Customization and Flexibility:** Offers extensive configuration options to tailor the integration to specific business needs.
- **Efficiency and Accuracy:** Automates data entry, reduces manual errors, and enhances productivity.
- **Security:** Encrypts sensitive information and provides secure API connections.
- **Scalability:** Handles multiple licenses and installations, making it suitable for businesses of different sizes.
- **Support and Documentation:** Offers detailed documentation and support options for troubleshooting and optimization.

"We are thrilled to introduce ConnectIt-SageOne to our customers," said Steve Siggs, Director at Hilltops IT Consultancy Services Ltd. "This integration solution is designed to streamline business operations, reduce manual errors, and enhance overall productivity. We believe ConnectIt-SageOne will be a valuable tool for businesses looking to optimize their workflows and achieve greater efficiency."

"QuoteWerks has always thrived on strong partnerships, and Hilltops IT Consultancy Services Ltd. exemplifies the value of these collaborations. As a long-standing and trusted QuoteWerks partner, Hilltops consistently delivers exceptional solutions that enhance our platform and empower our users," said Brian Laufer, Vice President at QuoteWerks. "ConnectIt-SageOne is a testament to their deep understanding of our community and their commitment to providing innovative integrations that address real-world business challenges."
